

Application Process for Architectural Design Review

General Structural Application	Landscape Application	Paint Application	Solar Application
Includes any and all front facing changes to exterior of home, landscape, hardscape or paint.	Includes greenery, trees, walkways, and driveways.	Includes all exterior home paint, shutters, decor, doors and trim.	Complete online application
All applications must have neighbor approval.	Professional drawings and spec preferred to reduce acceptance time	Paint application can be submitted online but the color swatches must be original and submitted to WS. Please submit one original and three copies.	
Failure to get proper approvals may result in delays of project, changes and potential violations. SAVE TIME AND HASSLE. GET PROPER APPROVALS.	Review tree replacement document, prior to removal and replanting.	Color books available online and at WS for some developments.	
		Painting prior to approval may result in having to repaint.	

Questions? Please contact Wakefield Sharp or helphamiltonfield@gmail.com. Access applications on hamiltonfield.org. All applications, except for Paint Application, may be completed online.
